Senior Silver Circuit Conditions

1. The tournament will be run in accordance with the Tournament Regulations of BADMINTON England.

2. Competitors must be a member and in good standing with BADMINTON England or a National Association affiliated to the BWF.

3. Each host association reserves the right to include up to two wildcards in each event not normally qualifying under the limitations of entries.

4. The Committee reserves the right to refuse any entry without assigning a reason and to alter or modify the programme in any way it sees fit. The restriction of entries in tournaments shall be done on merit, however the Tournament Committee reserve the right to restrict entries using other criteria if it is in the interest of the tournament or where standard of competitors is not known. Its decision on all matters shall be final.

5. Entries must be made on the official form or via the online entry system when available and must be received by the Tournament Secretary listed on the prospectus cover, with entry fees, by the stated closing date. Each competitor must send in a separate entry form, doubles entries will not be accepted without an entry from both players. Competitors wanting a partner should enter "partner wanted" in column 3 on the entry form. If at its discretion the Tournament Committee should accept entries and/or fees after this date, there will be a surcharge of £5.00 per player.

6. All rounds will be played as a knock-out with the exception of the Mixed which will be a round robin event. Entry is at the competitor's own risk, and by signing the entry form the competitor undertakes that to the best of their knowledge they are healthy to compete.

7. BADMINTON England is committed to providing equal treatment for all its staff, members, associated members, prospective members, guests and prospective guests in compliance with the Equality Act 2010. The Committee may require documentary evidence to support the withdrawal because of injury or illness or for any other reason. Withdrawal during the Tournament must be notified to the Referee. All withdrawals are subject to the Tournament Regulations of the Association, and are therefore applicable to an admin fee being deducted. No refund is due if withdrawal is within 36 hours of the start of the tournament.

9. No player/pair shall enter or be entered in two competitions if the published dates of the competitions overlap. A player is deemed to have entered, for the purpose of this regulation, if the entry has been made and not withdrawn on the closing date. Any subsequent withdrawal by a player/pair accepted in the draw of a tournament will not allow the player/pair to enter in any other event with overlapping dates. For the purpose of this regulation match selection will be treated as an event.

10. Competitors must be prepared to play at the times stated for the commencement of each event. Competitors will be advised by post or email of the time they are required for their first match in each event for which their entry has been accepted. If no such notification has been received four days prior to the tournament it is the responsibility of the competitor to enquire from the Referee or Tournament Secretary (see front of the prospectus).
